

Wetsuit Demo Night! June 30 – At Crystal Lake

CDTC working with HUUB wetsuits and Kevin Kearney has scheduled a DEMO day on June 30 at Crystal Lake – Tuesday Night Training Session

HUUB (<http://www.huubusa.com>) will be sending a rep to work with Kevin Kearney, Excel Aquatics in running the demo. HUUB recommends - CDTC club members can send in requests of the products they want to demo, along with their height/weight. This way, HUUB can ensure they have the correct products for each person.

Check out HUUB's products and then let me know the product you want to demo and the "size"
